

Pojmenuj zvířátka a řekni kde žijí.

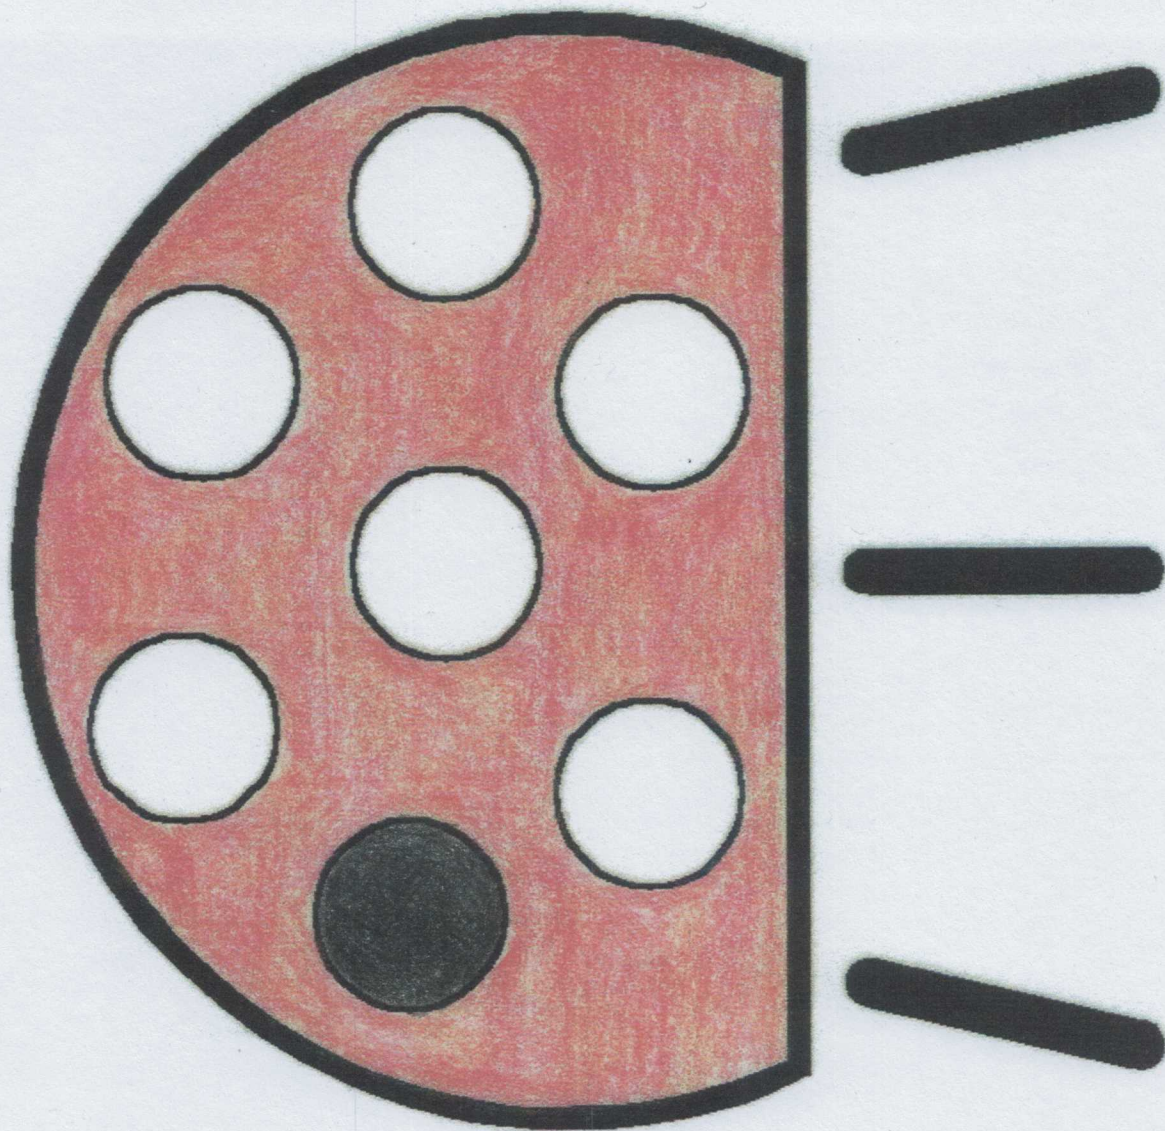

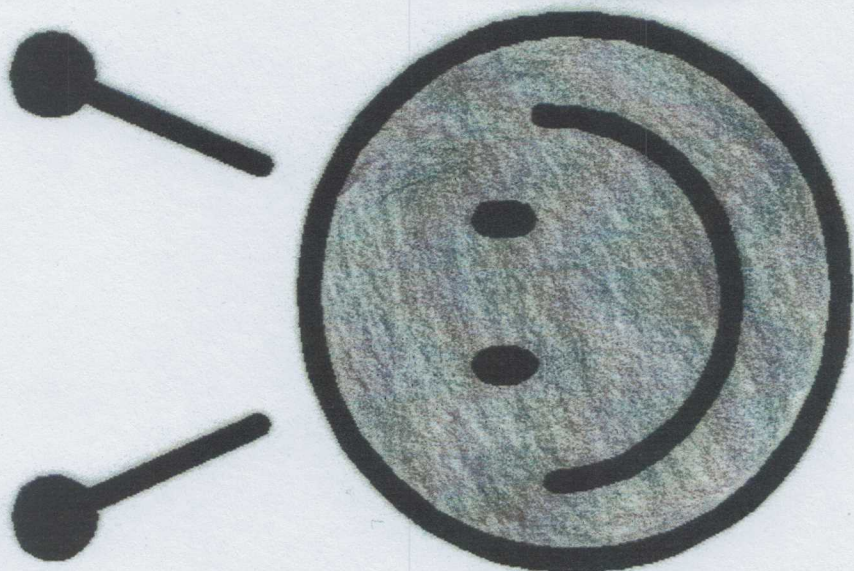

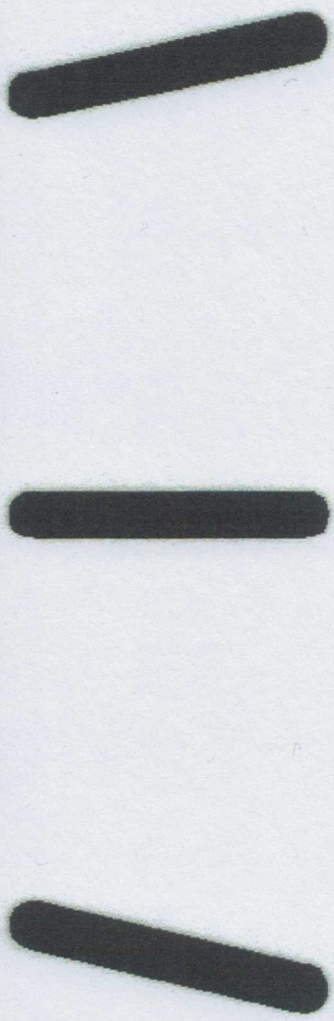

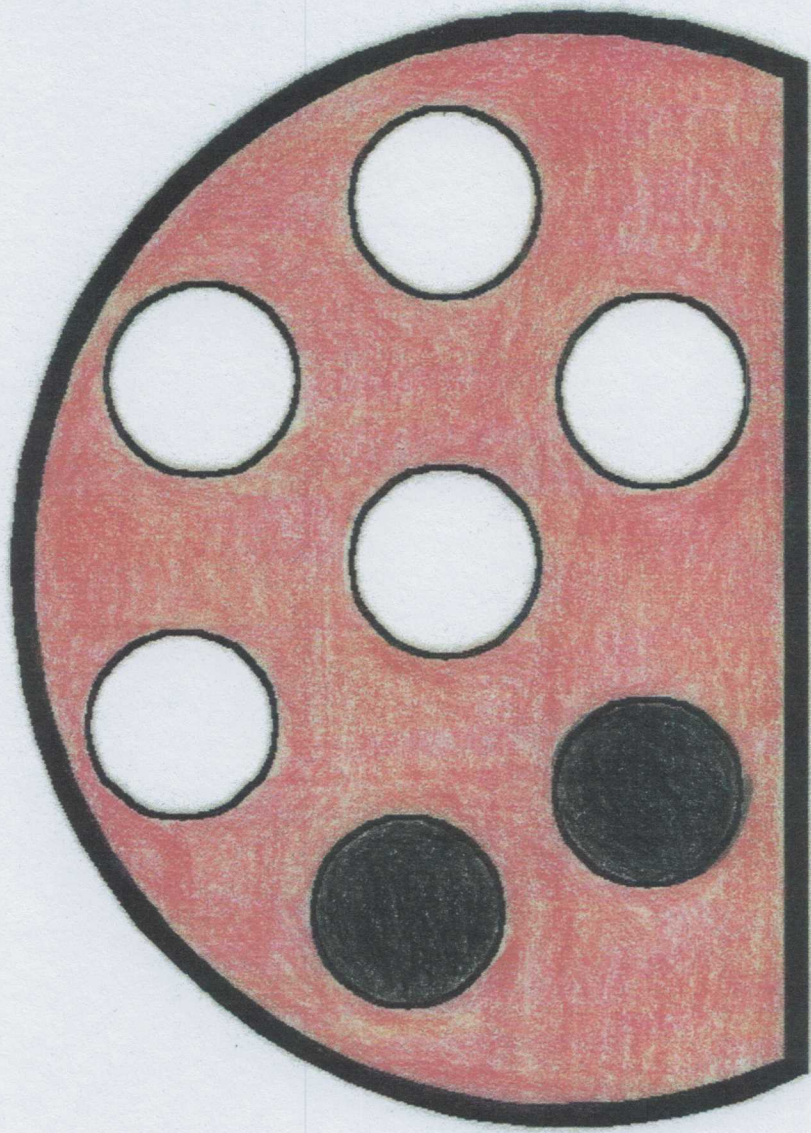

Žába leze do bezu,
já tam za ní polezu,
kudy žába tudy já,
budeme tam oba dva.

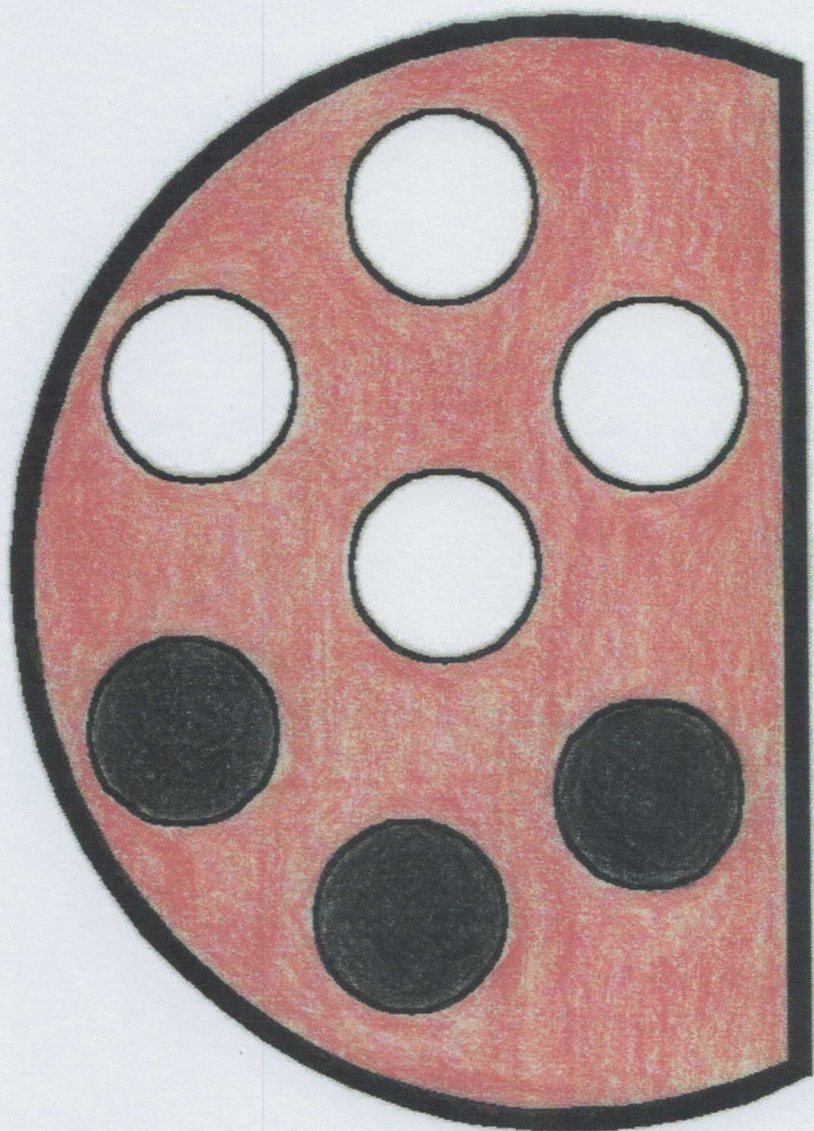

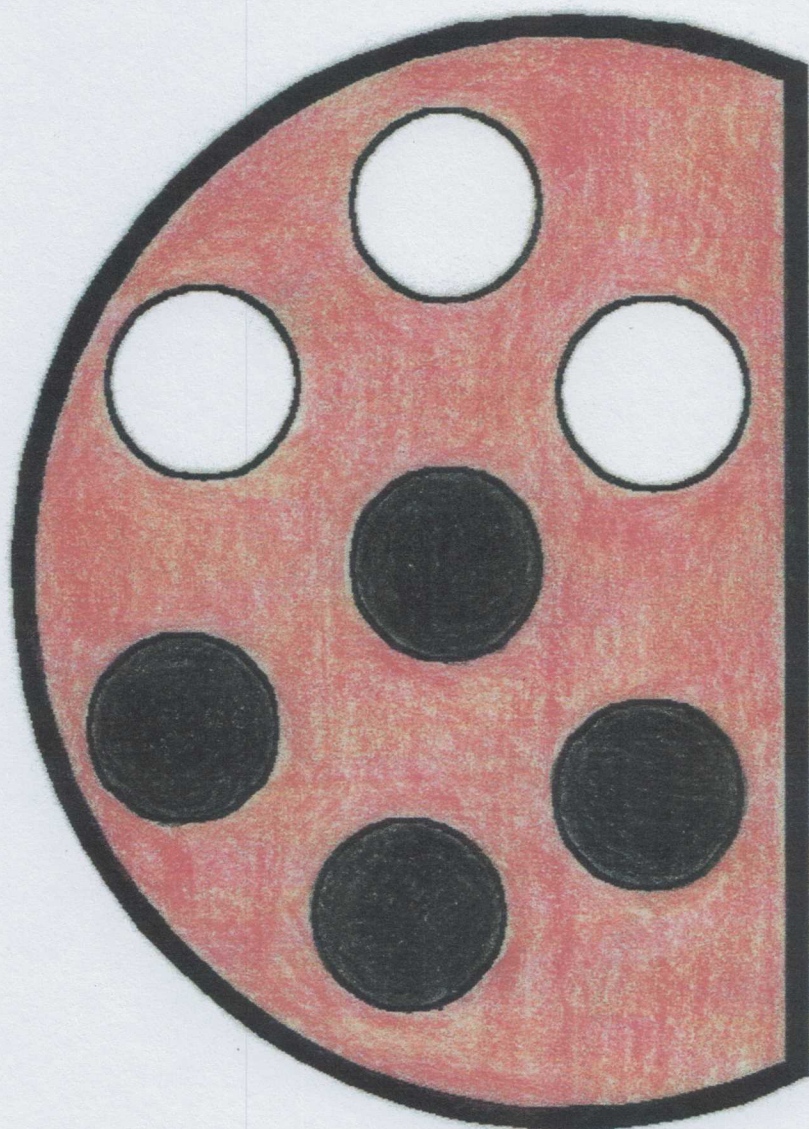

Žába skáče po blátě, koupíme ji
na gati
Na jaké, na jaké? Na zelené,
strakaté.

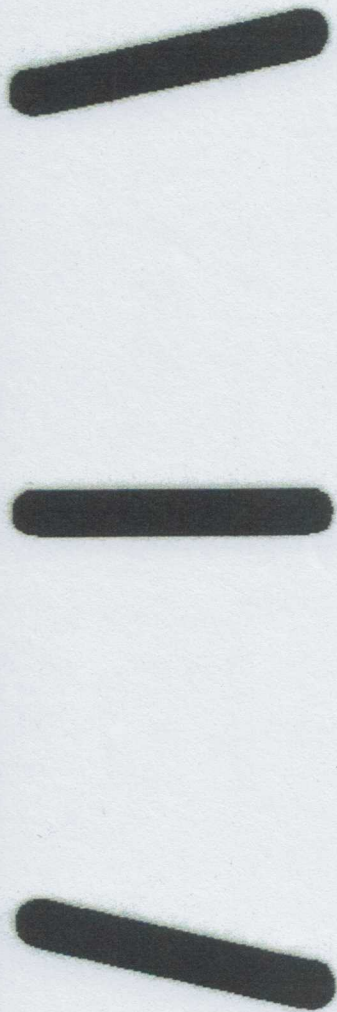

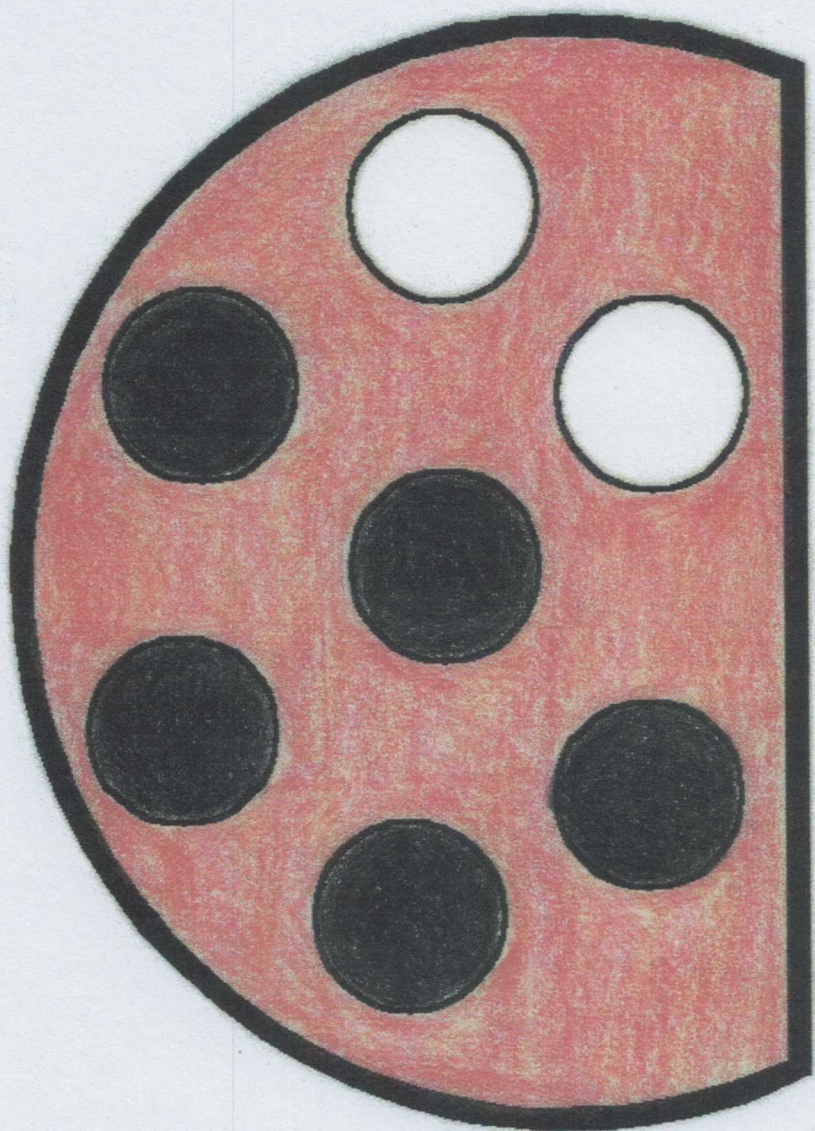

Počítaj puntíky na beničce.

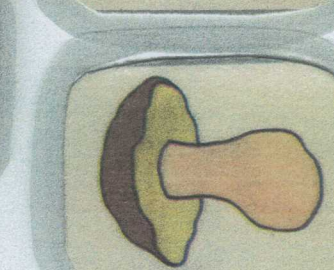

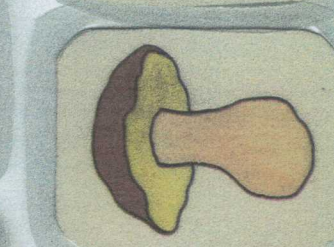

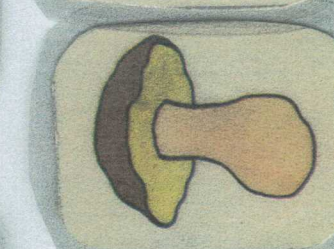

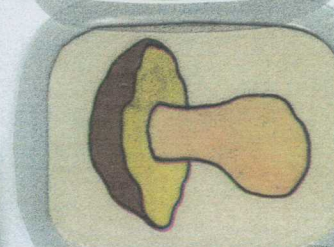

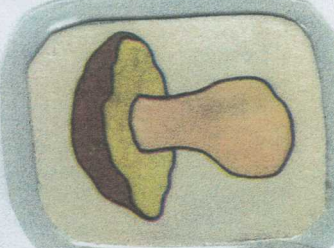

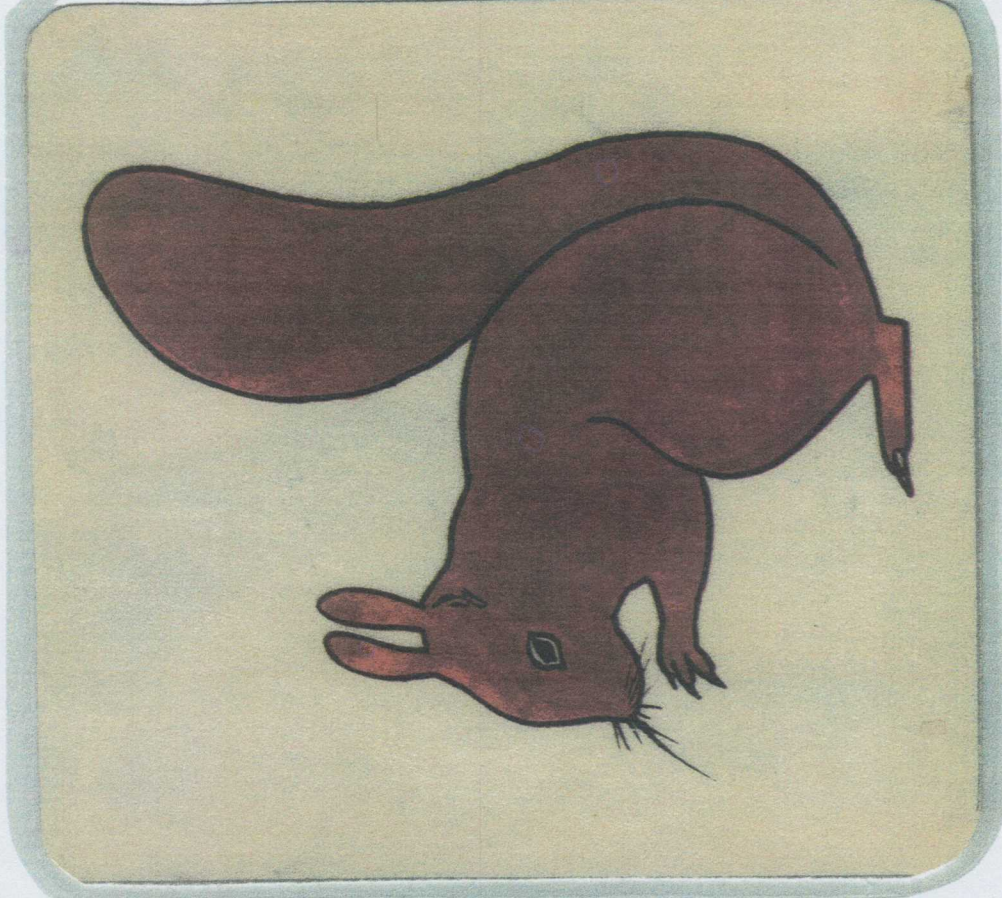

Jaké dobroty si nasbírala veverka?

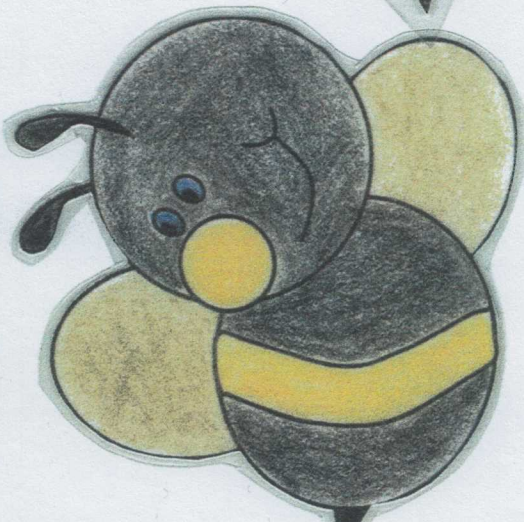

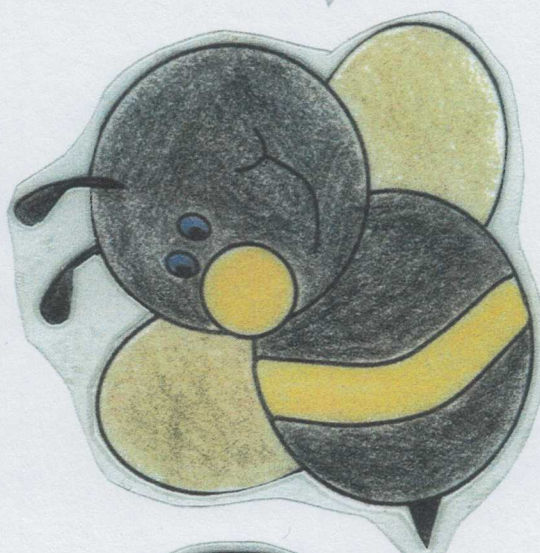

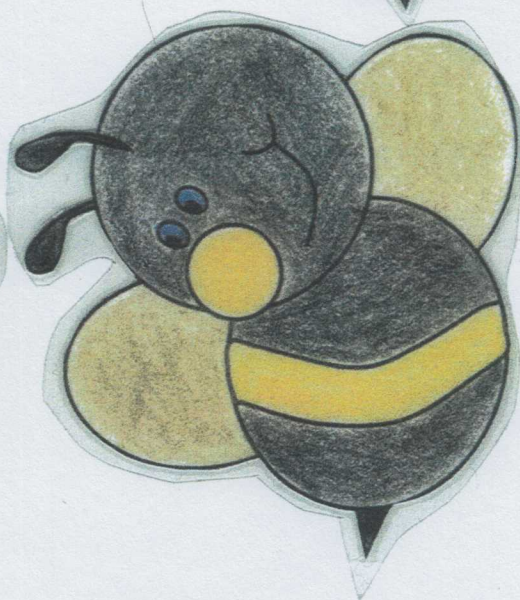

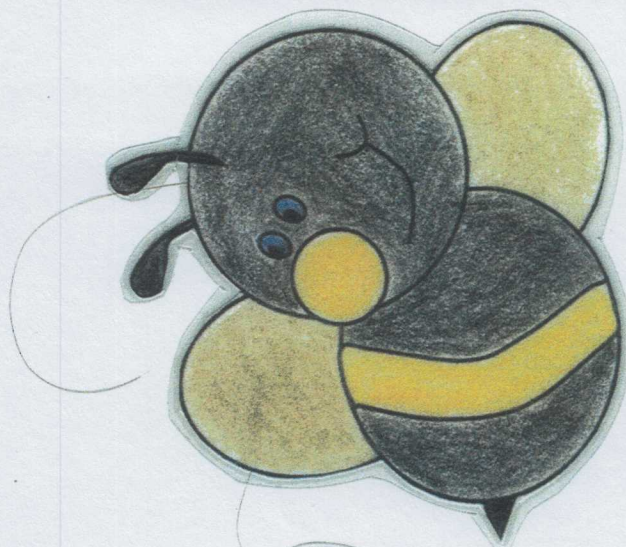

Spočítej je.

Který šneč je největší?

Malý x větší x největší

Spočkej sněhy a včelky.
